

# **Vacation**

By: Rachel Steiner, age 10

*You wanna go on a vacation where,  
An airplane has to take you there.  
Blue skies and a sandy beach,  
But Mom says, it's out of reach,  
(the money they would need to take).  
Perhaps somewhere near the lake?*

*My Dad agreed,  
And decided to lead,  
Us up to Eagle River.  
It's fun up here.  
I saw a deer.  
There's so much wildlife here.*

*There's eagles and fishes,  
and ducks who like bread.*

*I can't believe I wanted to  
go to Florida instead!*
