If activity is what you crave, there's as much to do here as you care to experience. The Chain of Lakes lends itself to a wide array of water sports including jet skiing, waterskiing, tubing, boating, canoeing, kayaking and swimming. Whether fishing for sport, trophy or just plain family fun, many varieties of fish are bountiful in these waters! Of course there's hiking, biking, golfing and bird watching opportunities galore! Even winter brings a variety of unique sports to Eagle River. Known as the "Snowmobile Capital of the World," the town comes alive with machines of all types! There's snowshoeing, cross-country skiing, nearby ski resorts, ice skating, a hockey arena and of course, outstanding ice-fishing!

Eagle River proudly hosts many area businesses built around assisting you with equipment rentals and lots of advice to help you experience something you've never tried before! In addition, we have wonderful restaurants to fit all budgets, terrific gift shops and fun places to take the kids.

Of course, for many, the thought of escaping busy lives and retreating to the quiet peacefulness of the woods, the water, and nature is all one longs for! Nothing renews and refreshes the spirit like the song of the loons, that breeze that rustles through the trees above, the smell of the pines, the warmth of the sun's rays!

So come, enjoy a place where you can experience it all or do nothing at all...
